- 4.2.3 An Ambulance service located outside of the Town when it is transporting patients under a transfer agreement with the Province of Alberta or from the scene of an emergency medical incident located outside the Town to a location within the Town.

4.3 In the event of an Emergency, and notwithstanding anything in this Bylaw, Council in its discretion may provide Ambulance services or authorize more than one Ambulance service provider to provide service in a given area until such time as the Emergency has been mitigated or Council otherwise determines.

4.4 Council may direct the development of a Medical Co-Response Program whereby Members of the WFD or a Fire Service provide assistance to the Ambulance Service Provider on emergency medical Incidents where the Town feels such a program will help the Ambulance Service Provider provide timely assistance to persons in need of emergency medical care.

5 WEMBLEY FIRE DEPARTMENT

The Wembley Fire Department shall consist of the Fire Chief, Members, Buildings, Apparatus, and Equipment as is deemed necessary by Council to safeguard the safety, health and welfare of people and to protect people, property and the environment at any level of service as may be directed by Council from time to time.

6 JURISDICTION

The limits of the jurisdiction of the WFD, its Members, Equipment and Apparatus will extend to the area and boundaries of the Town and no part of the aforementioned shall be used beyond the limits of the Town without the express authorization of a written agreement providing for the supply of fire fighting services outside the Town, or upon the express permission of the Fire Chief or his designate.

7 FIRE CHIEF

7.1 Council shall appoint the Fire Chief on the recommendations of the Members of the Wembley Fire Department.

7.2 The Fire Chief shall report to the Chief Administrative Officer.

7.3 The Fire Chief may appoint other officers of the Fire Department to act as Fire Chief on his behalf.

7.4 The Fire Chief, subject to the policies of the Town and subject to approval by Council, develops rules, regulations, policies and guidelines for the management and operation of the WFD including:

- 7.4.1 use, care and protection of fire department property
- 7.4.2 the conduct and discipline of officers and members of the Fire Department, and
- 7.4.2 efficient operations of the Fire Department

The Fire Chief may delegate any such responsibilities to a Deputy Fire Chief or another officer of the WFD.

7.5 The Fire Chief or his designate shall have control, direction and management of any WFD Apparatus, Equipment or personnel assigned to an Incident or Emergency, and where a Member is in command, he shall continue to act until relieved by an officer of equal or higher rank

7.6 Under the authorization of the Chief Administrative Officer or her designate, subject to the budget and policies of the Town, the Fire Chief, with the approval of Council, may appoint such other officers or members of WFD as deemed necessary.

7.7 The Fire Chief shall report to the Council on the operations of the Fire Department or on any other matter in the manner designated by Council

8 POWERS

- 8.1 The Fire Chief or his designate or an Incident Commander on site at an Incident or Emergency attended by the WFD, is empowered to:
- 8.1.1 Cause a building, structure or thing to be pulled down, demolished or otherwise removed if deemed necessary to prevent the spread of fire to other buildings, structures or things;
 - 8.1.2 Enter premises or property where the Incident or Emergency occurred and to cause any Member, Apparatus or Equipment of WFD to enter, as is deemed necessary, in order to combat, control, mitigate or investigate the Incident or Emergency;
 - 8.1.3 Establish boundaries or limits at his discretion and keep persons from entering or remaining within the prescribed boundaries or limits unless those persons are authorized to enter or remain by the Incident Commander;
 - 8.1.4 At his discretion, call upon Peace Officers to enforce restrictions on persons entering or remaining within the boundaries or limits outlined in (8.1.3) above or to assist in enforcing any other provision of this Bylaw;
 - 8.1.5 Enter, pass through or over buildings or property adjacent to an Incident or Emergency and to cause Members of the WFD and the Apparatus and Equipment of the WFD to enter or pass through or over the building or property, where he deems it necessary to gain access to the Incident or Emergency or to protect any person or property;
 - 8.1.6 Obtain assistance from other officials of the Town as he deems necessary in order to discharge his duties and responsibilities under this Bylaw and such assistance shall be provided forthwith.
- 8.2 The Fire Chief or his designate or the Incident Commander at an Incident is empowered to compel persons who are not Members to assist in extinguishing a fire, removing furniture, goods and merchandise from any building on fire, or in danger thereof and in guarding and securing same and in demolishing a building or structure at or near the fire or other Incident.
- 8.3 The Fire Chief or his designate, or an Incident Commander at an Incident or Emergency is empowered to commandeer privately owned Equipment and operators which he considers necessary to deal with the Incident or Emergency and to authorize payment for that Equipment and operators at rates not to exceed those established by guidelines as may be approved by Council from time to time.
- 8.4 The Fire Chief or his designate is empowered to access any available water supply as deemed necessary for firefighting purposes.

9 FIRE PERMITS

- 9.1 An application for a fire permit for an outdoor fire or a structure fire shall be made to the Chief Administrative Officer in writing. The Chief Administrative Officer shall forward the permit to the Fire Chief. The Fire Chief will consider the application and may refuse issuance of permit on reasonable and probable grounds that a public interest risk or nuisance exists for the proposed fire.
- 9.2 When issuing the fire permit, a Chief Administrative Officer may issue the fire permit unconditionally and/or may impose conditions.
- 9.3 Fire Permits issued pursuant to this Bylaw are valid for such periods of time as shall be determined and set by the Chief Administrative Officer issuing the permit. The fire permit shall have endorsed thereon the period of time for which it is valid.
- 9.4 When an emergency or potential emergency exists, the Fire Chief or his designate shall be empowered to suspend all structure fires, incinerator fires, outdoor fires, and outdoor camping fire lit for cooking or warming purposes, or the discharge of fireworks, within all or portions of the Town for such a period of time and on such conditions as may be determined by the Fire Chief or his designate.
- 9.5 Upon receiving notice of the suspension or cancellation of a fire permit, the person concerned shall immediately extinguish any fire set, or cease any activity as described in said permit.
- 9.6 An application for a fire permit to discharge consumer fireworks shall be made to the Chief Administrative Officer's office in writing. The Chief Administrative Officer shall forward the permit to the Fire Chief's office. - 12.11.2 burning in fireplaces in or attached to dwellings as provided by legislation;
- 12.11.3 burning in campgrounds and parks where fireplaces, stoves and fire pits are provided by or approved by the Town;
- 12.11.4 burning by the WFD for the purpose of training its Members, reducing fire hazard through a controlled burning
- 12.11.5 burning by the Town under a controlled environment

- 12.2 During a fire ban, all fires described in Article 12 may be banned at the discretion of the Fire Chief's Office.

13 FIRE CONTROL ORDERS

- 13.1 For the purpose of fire control, the Fire Chief or his designate, shall make recommendations to the Chief Administrative Officer, or designate, and upon his authorization, may issue a fire control order which may:
- 13.1.1 suspend or cancel within any or all parts of the Town or Town issued Permits and verbal permissions allowing Open Fires, and
 - 13.1.2 prohibit or ban the setting or require the extinguishing of any Open Fire within the Town including any fire listed or contemplated in Article 10.5 above
- 13.2 A Fire Control Order made pursuant to this Article shall be broadcast at least twice a day for not less than two consecutive days by radio, television or other electronic media outlets which, in the opinion of the Chief Administrative Officer or the Fire Chief or their designates, are likely to bring the matter to the attention of the general public. A Fire Control Order may also be published in print media where the Chief Administrative Officer or the Fire Chief or their designate, deems it appropriate.
- 13.3 In an area affected by a Fire Control Order, every person shall immediately proceed to extinguish every Open Fire or banned fire enumerated which has been set, permitted or maintained by them, or which has been set, permitted or maintained under their authority, or which has been set, permitted or maintained on land occupied or owned by them.
- 13.4 All fire-fighting costs incurred by the WFD in extinguishing or fighting an Open Fire or any fire that has been banned by a Fire Control Order may be recovered.
- 13.5 Where a person causes a fire to which WFD responds, that person is responsible for all direct and indirect costs incurred by the Town in extinguishing that fire.
- 13.6 Where a person:
- 13.6.1 fails to obtain a Permit or verbal authority as required under this Bylaw prior to setting or causing a person to set an Open Fire; or
 - 13.6.2 obtains a Permit or a verbal authority as provided for in this Bylaw but fails to follow the provisions of the Bylaw and those conditions outlined on the Permit or in the verbal authority; or
 - 13.6.3 fails to extinguish an Open Fire when required to do so upon the demand of the Fire Chief or his designate or a Peace Officer; and

WFD extinguishes the fire or the fire grows beyond the control of the person and an Incident or Emergency to which WFD responds occurs, then such person shall be liable to pay all direct and indirect costs incurred by the Town in extinguishing the fire.

14 PENALTIES AND OFFENCES

- 14.1 Any person who fails to comply with any provisions contained in this Bylaw is guilty of an offence and is liable, on a conviction, to a fine of not less than Two Hundred Fifty Dollars (\$250.00) or such other amount as may be specified in this Bylaw and not exceeding Ten Thousand Dollars (\$10,000.00), and to imprisonment to term of not more than one year or both.
- 14.2 Where a person contravenes this Bylaw, the specified penalty payable is prescribed in Schedule "B".
- 14.3 A Peace Officer is authorized to enforce this Bylaw under Section 7 of the *Municipal Government Act* and may, under Part 2 of the *Provincial Offence Procedures Act (Alberta)*, issue a violation ticket.
- 14.4 In the case of an offence that is of a continuing nature, a contravention constitutes a separate offence in respect of each day or part of a day on which it continues.
- 14.5 Where the Fire Department has taken any action whatsoever for the purpose of extinguishing a fire, responding to a fire call or incident in the Town, or for the purpose of preserving life or property from injury or destruction by fire or other incidents on property within the Town, including any action taken by the Fire Department on a false alarm, the Fire Chief or Chief Administrative Officer may in respect of any cost incurred by the Fire Department in taking

such action, charge these costs to the owner or occupant of the property in respect of which the action was taken.

14.6 The cost for Fire Department services rendered shall be determined by the Fire Chief or the Chief Administrative Officer. In the event that the owner or the occupant shall feel aggrieved by any action taken by the Fire Chief or Chief Administrative Officer pursuant to Section 14.1, he or she shall have a period of thirty (30) days from the date of mailing of the notice to appeal to Council the action. The decision of Council on any such appeal shall be final and binding upon the owner or occupant of the property.

14.7 In respect of any costs or fees levied or charged under this Bylaw:

14.7.1 The Town of Wembley may recover such costs or fees as an amount due and owing to Town of Wembley pursuant to Section 552 of *the Municipal Government Act*, R.S.A 2000, Chapter M-26; and

14.7.2 In default of payment, where permitted by the Municipal Government Act R.S.A. 2000, Chapter M-26 Section 553 (1)(g), add the amounts due to the tax roll of the property in question;

15 ENFORCEMENT

15.1 The Fire Chief or his designate or a Peace Officer is hereby authorized to enforce any provision of this Bylaw, and in the event of an Incident or Emergency, may enter onto premises or property, and may make such inquiries or demands as may be necessary for those purposes.

16 INDEMNITY

16.1 A Member of WFD or a Peace Officer acting in good faith and without malice in the discharge of his duties under this Bylaw, shall not render himself liable personally and is hereby relieved from all personal liability for any damage that may occur to persons or property as a result of any act required or by reason of any act or omission in the discharge of those duties.

16.2 The Town shall defend any suit, action or claim, commenced against a Member wherein it is alleged that the Member acted in a negligent manner during the course of the Member's duties (whether by commission or omission). Unless directed to the contrary by the member affected in writing, the Town shall defend any such suit, action or claim until the final determination of the proceedings, a negligent act or omission, brought against a Member until final determination of the proceedings.

17 FEES AND COSTS

17.1 Council may, from time to time set a fee for any service provided by WFD.

17.2 The fee shall be subject to interest rates as may be established by the Town from time to time respecting outstanding accounts.

17.3 The fee shall become a debt due and owing the Town.

17.4 In the case of response services provided to an Incident or Emergency, other than a medical Incident or Emergency, on lands within the Town where fee and interest charges are unpaid after three (3) months from the date an invoice is issued, the Town Administrator or designate is authorized to place the aforesaid fee and interest charges against the tax roll of the parcel of land on which the Emergency or Incident occurred.

17.5 The Fire Chief may establish fees based on a cost recovery basis for all consumable materials used by the WFD as per Town Policy.

17.6 A copy of the set fees shall be included as Schedule "C".

CONDITIONS:**Excerpts from the Alberta Fire Code 2006****Section 5.7 Fireworks**

A-5.7.1. Municipalities have the authority to regulate fireworks within their jurisdiction under the Municipal Government Act. Municipalities can use the Municipal Government Act to establish a fireworks permit bylaw allowing the municipality to permit fireworks. A fireworks permit bylaw established by a municipality may have provision that include or exclude any activity involving fireworks.

5.7.1.1 Application

- 1) Except as permitted by Sentence (2), this Section shall apply to the sale and discharge of fireworks and pyrotechnic devices.
- 2) This Section shall not apply to a person who possesses or discharges fireworks commonly used as distress flares.

5.7.1.2. Manufacture, Importation, and Transportation

- 1) The manufacture and importation of fireworks shall be in conformance with the "Explosives Act" and its Regulations, published by Natural Resources Canada.
- 2) The transportation of fireworks shall be in conformance with the "Transportation of Dangerous Goods Act" and its Regulations.

5.7.1.3. Discharge

- 1) Except as permitted in Clause 5.7.1.7.(1)(b), no person shall discharge, fire or set off fireworks from, on, or over
 - a) public land as defined by the Public Lands Act, or
 - b) a forest protection area designated under the Forest and Prairie Protection Act.

5.7.1.7. Written Permission

A-5.7.1.7. Due to the fact that fireworks can be purchased in one municipality and discharged in another, individuals must ensure that written permission is obtained from all of the appropriate authorities if this is the case.

- 1) No person shall
 - a) Purchase, possess, handle, discharge, fire or set off fireworks unless written permission issued by the fire department for that purpose has been obtained, or
 - b) Discharge, fire off, set off fireworks in a forest protection area unless written permission issued by a forest officer for that purpose has been obtained.
- 2) Written permission issued under Sentence (1)
 - a) Shall specify the date, time and location on which the fireworks are to be discharged, and considers necessary to ensure the safe use of the fireworks.
- 3) Permission shall not be granted under this Section in respect to High-Hazard fireworks unless the applicant possesses a fireworks supervisor card issued pursuant to the "Explosives Act" and its Regulations, published by Natural Resources Canada.

5.7.1.9. Age Requirement

- 1) No person who is under 18 years of age shall purchase, possess, handle, discharge, fire or set off fireworks.

5.7.1.10. Discharging

- 1) Fireworks from which a projectile is discharged shall be set up in such a manner so that when ignited the projectile will go into the air in a vertical direction not more than 15° off the perpendicular.
- 2) Where ground level fireworks are discharged
 - a) they shall be positioned out of the fringe or aerial fireworks and in a location where there is no dry grass or combustible material on the ground beneath them, and
 - b) the area shall be thoroughly wet down immediately before the fireworks are discharged.
- 3) A portable extinguisher having a rating of not less than 2-A shall be provided and kept in the immediate discharge area.

5.7.1.11. High-Hazard Display

- 1) Where high-hazard fireworks are discharged, the person responsible for discharging the fireworks shall ensure that
 - a) they have at least 2 assistants who are competent persons over 18 years of age and have been trained in the proper handling of fireworks,
 - b) the fireworks are set up in conformance with the "Display Fireworks Manual", published by Natural Resources Canada,
 - c) at least 2 portable extinguishers each having a rating not less than 1-A shall be not more than 45 m from the location at which the fireworks are discharged,
 - d) the potential landing area is cleared of spectators, vehicles, dry grass and other combustible material immediately prior to the beginning of the display and during the display,
 - e) nothing other than a flashlight or electrical lighting is used for artificial illumination,
 - f) no person, other than persons responsible for discharging the fireworks, is closer than 45 m from the location at which the fireworks are being discharged,
 - g) the location at which the fireworks are discharged is at least
 - i) 60 m from any highway or other similar means of travel used by the public, and
 - ii) 15 m from the nearest overhead obstruction,
 - h) a complete search is conducted of the display area for any duds within 12 hours of the conclusion of the display, and
 - i) any unused fireworks or duds remaining are disposed of in a safe manner within 12 hours of the conclusion of the display
